

*Visibility for the NEPMA Strategic Sponsors is a crucial part of the planning process for every NEPMA event including speaker selection. NEPMA Strategic Sponsors' logos are front and center at every opportunity, and the value of your partnership and support for the association is continuously promoted and communicated to NEPMA members, event attendees and website visitors. All levels include your standard Allied Membership dues, while each level provides additional unique opportunities for your company to stand out with the NEPMA audience. In 2023-2024, NEPMA's Fall Training reached over 200 people and the Spring Training reached 250.*
